

MEET THE TEAM

Samantha Ondilla - Account Manager Health and Beauty North America

THE JOB

What is your position?

I am the Account Manager of Oleon North-America, Health & Beauty Division

What do you like most in your job?

I like meeting new people and my customers. I enjoy that the Health and Beauty market is constantly changing and evolving. It is never boring :)

What's your favorite product in Oleon's portfolio?

I can't decide! I really like the 7750 because it is so versatile and also green! I like the 7202 because of its sand removal properties. It is amazing for a beach person who doesn't want to be full of sand and all sticky. I also like the 7908 because I love preservative boosters and multifunctional ingredients are great for our customers.

What is important to you in your contact with customers?

I think relationships with customers are important. I want to be as transparent with them as possible and I want them to know that I am here to help them and be a resource to them.

ABOUT SAMANTHA

When and why did you join Oleon?

I liked the people I spoke to at Oleon and I saw a lot of opportunity to grow the business here. I felt that Oleon was good company with great products and a good message.

What's your background?

I went to school for public relations and marketing. I ended up in the personal care industry a little over ten years ago and I loved it.

Describe yourself in 3 words

I would say: energetic, optimistic, kind.

What do you do in your free time ?

Go to the beach, hike, swim, hang out with my favorite 5 year old and lose at Candyland and ball tag.

"I like the Jolee 7202 because of its sand removal properties. It is amazing for a beach person who doesn't want to be full of sand and all sticky."
