

PRODUCT OVERVIEW

Our chemistry, their beauty

We are Oleon Health & Beauty, where innovation meets sustainability to enhance your personal care and cosmetic creations.

Derived from renewable raw materials such as rapeseed, palm, coconut, and sunflower oil, our solutions embody our dedication to Serving the Earth with sustainability at the forefront. At Oleon, we prioritize strong partnerships with our clients, collaborating to create tailored solutions that meet evolving market trends and consumer demands.

Explore our comprehensive portfolio designed to meet your specific needs across skin care, hair care, sun care, and color cosmetics. Organized into three distinctive product ranges—Radia®, Jolee®, and Lucee®—we offer a diverse selection of emollients, emulsifiers, solubilizers, humectants and vegetable oils.

RADIA®

Radia is a trusted brand known for its high-quality **fatty acid esters**, providing excellent performance as a basis and key ingredient in cosmetic formulations.

Jolee is a brand focused on natural, **sustainable** molecules for cosmetic formulations. It stands for eco-friendly, **responsibly sourced** products that are **easy to use, innovative, and safe**. Jolee elevates beauty with sustainability at its core.

Lucee is our brand of **vegetable oils and butters**, sourced directly from local producers to ensure fair practices and support local economies. Our products are extracted from fruit kernels, nuts, and seeds, meeting the growing consumer demand for safe, **natural ingredients**.
